November General	Friday	7/27/18	Deadline for the Department of Elections (ELECT) to publish public notice of all offices and ballot issues known to be involved in the November elections by no later than the 100th day before the election. The notice must include, or enable access to, specific instructions for how a voter is to indicate on the federal write-in absentee ballot the voter's choice for each office to be filled and for each ballot issue to be contested. ELECT will work with localities to ensure that all November special election offices and issues have been entered into VERIS. This will ensure that ELECT's "What's on my ballot?" web application will accurately reflect all the November offices and issues. Local election officials may create their own list and notice and make it available on the county's/city's website or a locality may add hyperlinks to its local website that will open ELECT's "What's on my ballot?" and "Absentee Ballot" web pages.
